SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on October 20, 2022 at 87 FR 63794.

A. Overview of Information Collection

Title of Information Collection: Public Housing Operating Subsidy – Appeals.

OMB Approval Number: 2577-0246.

Type of Request: Extension without change of a currently approved collection.

Form Number: N/A.

Description of the need for the information and proposed use: Under the operating fund rule, PHAs that elect to file an appeal of their subsidy amounts are required to meet the appeal requirements set forth in subpart G of the rule. There are four grounds of appeal in 24 CFR 990.245 under which PHAs may appeal the amount of their subsidy. They are: a streamlined appeal; an appeal for specific local conditions; an appeal for changing market conditions; and an appeal to substitute actual project cost data. To appeal the amount of subsidy on any one of these permitted bases of appeal, PHAs submit a written appeal request to HUD and appeal must cover an entire portfolio (not single projects). However, HUD has the discretion to accept appeals of less than an entire portfolio for PHAs with greater than 5,000 public housing units. Additional requirements with respect to certain appeals are covered by 24 CFR 990.250.
